PROFESSIONAL SUMMARY

I help organizations get new hires set up and productive from day one. With 2.5+ years managing onboarding workflows and 3+ years in technical support, I bridge the gap between HR, IT, and management, keeping tickets moving, spreadsheets accurate, and people informed. Hands-on expertise with AD Manager, Endpoint Central, Azure, Microsoft Entra, and Power BI, with a customer-first attitude and a genuine desire to innovate and improve upon current processes.

SKILLS

- **Onboarding & Ticketing:** New hire ticket management, Day One setup, ticket platform workflow, update tickets accordingly, transfer of data to spreadsheets, HR/Recruiting/Manager liaison
- **Tools:** AD Manager, Endpoint Central, Azure, Microsoft Entra, Power BI, Excel
- **Documentation:** SOPs, end-user guides, multi-team process docs, formal and casual writing, proofreading
- **IT Support:** Hardware/software troubleshooting, inventory audits, print services, VOIP, network cabling, patch management, vendor coordination

WORK EXPERIENCE

Business Analyst/Technician **May 2025 - Present**
Kenya Revenue Authority (KRA) **Nairobi, Kenya**

- Act as liaison between HR, Recruiting, Technical, and Management teams across 5+ departments, managing new hire tickets, updating ticket statuses, transferring data to shared spreadsheets, and keeping records of all meetings and process changes.
- Provision and manage user accounts using Microsoft Entra, Azure, and AD Manager, creating SOPs and onboarding documentation for both technical and non-technical audiences, and tracking onboarding KPIs through Power BI dashboards.

Data Analyst **September 2024 - December 2024**
Garnet Finance **Nairobi, Kenya**

- Contracted to streamline data workflows across product, engineering, and finance teams, automated reporting processes using Python and Bash, cutting operational errors by 25% and boosting productivity by 15%.
- Maintained shared Excel tracking spreadsheets and identified 5 security vulnerabilities, remediated issues and ensured data accuracy across cross-department systems.

IT Support Intern- Employee Experience & Technical Support **May 2023 - August 2023**
Nakuru Law Courts **Nakuru, Kenya**

- Provided technical support to 100+ court employees, troubleshot hardware and software issues, managed user accounts, and maintained a 90% satisfaction rate across 5 months.
- Supported new staff setup during Day One Onboarding, configured computer systems, print services, and VOIP, and conducted hardware/software inventory audits using shared Excel spreadsheets.
